with special emphasis on inspection of trip tickets, the mechanical state of a vehicle, its occupants, and the latter's state of sobriety. Every evening inspection units reported their findings to the head of the Army Automobile Department who, in turn, would recommend disciplinary action for the culprits.

5. Fourth Gds. Mecz. Army Hq. would initiate similar checks from time to time within its own area. Inspectors (Avto inspektora), would carry out "spot checks" in the same manner as that of the Traffic Control Battalion; checks would be made of all roads leading into a garrison town or at junctions on an open road and findings reported to the Automobile Department of Army Hq.
